Welcome to our office! We are happy to help in the management of your treatment.

Patient Instructions

1. Please bring this referral slip and any x-rays to your first visit. In most instances, your first visit will be a consultation to review health history and to decide on the most appropriate anesthesia and treatment plan.
2. A parent or legal guardian must accompany minors.
3. If you are under care of a physician or if you are taking any medications, please notify the office.
4. If you request **Deep Sedation** for your treatment
 - Do not eat or drink for at least 8 hours prior to your appointment.
 - Please arrange to have an adult accompany you to and be present in our office during your procedure
 - Wear loose-fitting clothing, short sleeves and tie on shoes.
 - Take medication as directed by Medical Doctor with a sip of water.

If you have any questions, please call the day before your appointment.
